NATIONAL FEDERATION

Safeguarding policy

For everyone working or volunteering with children and adults at risk

Sample document for a demonstration website. National Federation is not a real organisation.

Our commitment

Everyone has the right to take part in sport safely. The welfare of children and adults at risk is paramount, whatever their age, disability, sex, race, religion or belief, or sexual orientation.

What every club does

Each affiliated club appoints a welfare officer, checks and trains everyone in a role with young people, and follows the federation's codes of conduct.

Raising a concern

Anyone can raise a concern with a club welfare officer or straight with the federation's safeguarding team. If someone is in immediate danger, call the emergency services first.
